# DOUBLE VISION XIV

V+V's 14<sup>th</sup> Annual Fundraising Art Auction Benefit featuring over 30 collaborations

**FRIDAY, MAY 12, 2023**

**6:30 - 10:30 pm**

Memorial Hall, 1225 Elm St., Cincinnati, OH 45202

On behalf of the artists, staff, and board of Visionaries + Voices, we welcome you to **DOUBLE VISION XIV!** The artwork presented for auction tonight is the culmination of six months of collaboration between artists in the Cincinnati arts community and artists who call the V+V studios "home." During their time collaborating, they've explored ways to make their art-making practices work together.

◀ Collaborative artists John Nusekabel + Rachael Hammerlein, with their drawing *Realtionshipful*. You can find this work in the silent auction.

▲ Curtis Davis + Robert McFate have collaborated seven times over the last nine years for Double Vision. Here they are planning their cardboard masterpiece, *Stairway at Price Hill*. See **LOT #13** to place a bid.

◀ Savannah Martin + Morgan McKnight making their paper mache *Tiger Vase*. See **LOT #2** to place a bid.

Whether you're new to V+V, or a long-time supporter and friend, we encourage you to experience everything we do throughout the year by visiting our studios and gallery, or taking part in our many community events.

We're so glad you're here and hope you have as much fun being an essential part of Double Vision XIV as we had putting it together for you.

Thank you to our volunteers and artists that made Double Vision XIV possible. Thank you to Derik Steiner-auctioneer, and Pam Kravetz-Emcee for generously donating her time and talent. Special thank you to Jon M. Keeling for catalog photography and Michael Kearns, and Matt Steffen for event photography.

Established in 2003, **Visionaries + Voices** is a non-profit organization that provides studio space, exhibition opportunities, supplies, and support to more than 120 visual artists. V+V artists actively contribute to the greater arts community through creative, educational, and strategic partnerships with local and regional artists, schools, and business leaders. Collectively, we are growing a more inclusive arts community in Greater Cincinnati.
