

Uncommon Art for Uncommon Brands

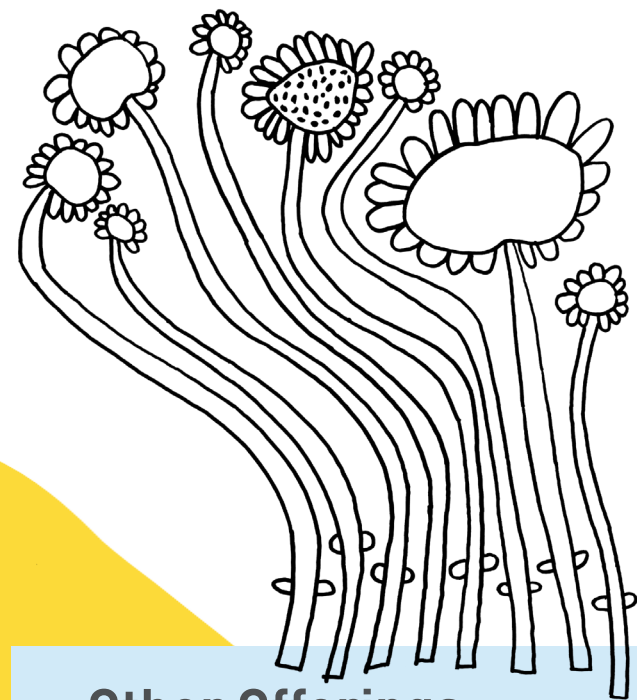

V+V+U is a professional art resource — bringing you Uncommon Art for your Uncommon Brand.

As a non-profit organization supporting artists with disabilities, **Visionaries + Voices** brings values to your brand's image few others can.

Diversity. Inclusion. Genuine Personality.

Think of us for illustration, surface design images, and a creative space to recharge your design practice. The gratification you get from providing an opportunity to artists with disabilities is a bonus.

There are endless ways **V+V+U** can bring your creative projects to life.

We specialize in:

SURFACE DESIGN

Your design team can utilize images by artists at V+V for your printable product surfaces. Curate selections from our extensive offerings—or commission new art—to elevate your product array in any number of categories.

ILLUSTRATION

Access emotionally resonant images you can use in your marketing and communication efforts enabling your brand to stand out in an increasingly templated digital world

Other Offerings:

MURALS + IMMERSIVE EXPERIENCES

Bring your brand to life with unforgettable interactive art installations. Offer your audience an exclusive preview of your newest product, win over the media, get your employees on board with new initiatives, and celebrate with your community in a visceral experience that is unlike any other.

INSPIRATION SESSIONS

Spend a day working alongside artists at the V+V studios to recharge your team's creative powerpacks.
