With a record number of auction items up for bid, Double Vision is back and bigger than ever. This event is so much more than a fundraiser. It is a celebration of great art and the communities that support great artists. We look forward to Double Vision growing each year, raising funds for the important work being made at Visionaries + Voices and changing perceptions about disability through art. We are grateful for the friendships that are forged through collaboration and the support that makes Double Vision an invaluable part of our programming. Happy bidding!

The Mission of Visionaries + Voices is to provide artistic, cultural and professional opportunities for artists with disabilities.
